What is Scrip?

Scrip is fundraising while you shop! You buy gift cards from over 750 retailer brands you already shop at and earn a rebate on every gift card you purchase at face value. That rebate goes directly to our school.

See reverse for order form and ShopWithScrip.com for all available brands

“

Scrip is different because we aren't selling stuff that people don't want or need and we're not spending any extra money.

How it works

Purchase one of three types of gift cards:

- *Physical gift cards* just like those you get at the store can be purchased monthly during the ECS ordering window by turning in the order form on the back of this flyer. The Scrip coordinator will arrange distribution of the purchased cards the Monday following the order due date.
- *Physical gift cards* can also be purchased at face value on ShopWithScrip.com or the mobile website, MyScripWallet.com. These orders will be bundled with our ECS monthly order.
- *ScripNow* is an *eGift card* that you can buy online and receive instantly for printing or redemption from your mobile device.
- *Reload and ReloadNow* physical gift cards can be purchased online and you can add funds whenever the balance is running low.

The rebate is the same any way you pay and ranges from 2% to 16%. You have three different payment options:

- Enroll in *PrestoPay* for online payments from your bank account. You will be charged a small \$0.15 convenience fee per order.
- Pay online using a *Visa* or *Mastercard*. There is a 2.6% fee on each transaction.
- Send in cash or check with your ECS order form.

Use your gift cards for your everyday shopping.
